Dear Sponsor

RE: Upgrade of Toilet Facilities

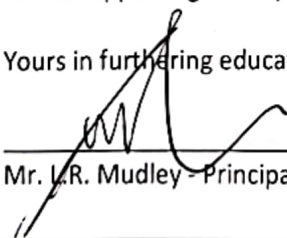

Arena Park Secondary school is based in the heart of the Chatsworth township. It has been serving the community of Arena Park and surrounds since its inception in 1982. The school turns 43 years old this year and we are embarking on a fundraising drive to upgrade all the learner toilet facilities. The current toilets are in a very poor state due to its age and also vandalism over the years. We want to provide learners with hygienic facilities that are in good condition and are comfortable for learners to use.

The school has two sets of toilets for males and females, catering for both junior and senior learners. The current toilet facilities and plumbing were installed over 40 years ago and are unable to cater for the increase in learner population. We have tried maintaining the current facilities over the years but the need has arisen to do a complete upgrade. We will be replacing every single toilet and basin together with upgrading the plumbing to provide learners a safe and comfortable environment. We have received the following prices for the items we require:

No.	Item	Unit Price	Quantity	Total Price
1	Toilet Sets (Ceramic)	R1300-00	32	R41 600-00
2	Basins (Ceramic)	R450-00	16	R7200-00

7	Labour, Piping & other parts			R71 600-00
8	<b>TOTAL COST</b>			<b>R130 000-00</b>

We are appealing for a sponsorship/donation towards the items above.

Yours in furthering education
